

Professor Michael A. Fullen

Foreign Member of the Lithuanian Academy of Sciences since 2008

Professor of Soil Technology, Faculty of Science and Engineering School/Institute: School of Architecture and Built Environment, Areas of expertise: Soil Science (soil erosion, soil conservation, desertification, and desert reclamation).

About

B.Sc., M.Sc., Ph.D., D.Sc., LMA Akad., F Inst Soil Sci, FRBS, FRGS

B.Sc. Degree in Geography (First Class Honours), awarded by the University of Hull, 1977.

M.Sc. Degree in Geography awarded by the University of Hull, 1981.

Ph.D. Degree in Soil Science awarded for a thesis entitled 'An investigation of Rainfall, Runoff and Erosion on Fallow Arable Soils in East Shropshire'. U. K. Council for National Academic Awards, 1984.

D.Sc. Degree in Soil Science for a portfolio of papers on 'Soil Management' (130 publications completed between 1982-2011), awarded by The University of Wolverhampton, 2012.

Research interests

Current Collaborative Research Programmes include:

1. Soil erosion and conservation in the West Midlands of England.
2. Soil erosion and conservation in Yunnan Province, China (in recognition of this Programme appointed Honorary Professor of Yunnan Agricultural University, with effect from 05/09/02).
3. Soil conservation in Lithuania (in recognition of this Programme elected as an Academician of the Lithuanian Academy of Sciences (LMA Akad.), with effect from 18/03/08).

Membership of professional bodies

Vice-President of the European Society for Soil Conservation (ESSC).

UK Representative on the Council of the ESSC.

Member ESSC Executive Council.

Editor-in-Chief ESSC Newsletter.

Joint winner of the 'Gerold Richter Prize' from the ESSC, May 2015.

Vice-President, Councillor and UK Representative of the World Association for Soil and Water Conservation (WASWAC).

Member of the British Soil Science Society (BSSS).

Secretary of the Midlands Branch of the British Soil Science Society.

Elected as a Fellow of the Institute of Soil Science (F. Inst. Soil Sci.) by the British Soil Science Society (01/01/15).

Fellow of the Royal Society of Biology.

Fellow of the Royal Geographical Society.

Elected as an Academician of the Lithuanian Academy of Sciences (LMA Akad.), with effect from 18/03/08).

Publications

Research papers have been published in:

Acta Agriculturae Scandinavica, Advances in GeoEcology, Agriculture, Ecosystems & Environment, Agricultural Sciences in China, Ambio, American Journal of Plant Sciences, Anuário do Instituto de Geociências – UFRJ, Applied Clay Science, Aquaterra, Archives of Agronomy and Soil Science, The Baltic Journal of Road and Bridge Engineering, Biological Conservation, Canadian Journal of Soil Science, Catena, China Review, Communications in Soil Science and Plant Analysis, Earth Surface Processes and Landforms, Environmental Sciences Processes and Impacts, European Journal of Soil Science, Field Crops Research, Geoderma, The Geographical Magazine, Geography Review, Geomorphology, Hydrological Processes, International Journal of Ecodynamics, International Journal of Environmental Studies, Journal of Applied Geophysics, Journal of Arid Environments, Journal of Environmental Engineering and Landscape Management, Journal of Environmental Science and Engineering, Journal of Meteorology, Journal of the Science of Food and Agriculture, Journal of Soil and Water Conservation, Land Degradation and Development, Microporous and Mesoporous Materials, Natural Hazards and Earth System Sciences, The Naturalist, Outlook on Agriculture, Pedosphere, Progress in Physical Geography, Revista Geonorte, Soil Technology, Soil & Tillage Research, Soil Use and Management, Sustainability, Weather and Zemdirbyste-Agriculture.

Total of 217 published papers, 217 conference papers and 26 consultancy reports.
